

MANIFESTO FOR A RESPONSIBLE AND SUSTAINABLE TOURISM

BE A RESPONSIBLE TOURIST

Encourage your friends to be too. It benefits the local people whilst preserving the local nature and culture

PHOTOS

Take photos without risking for them. Selfies can be dangerous. Use a Photographer

NO TRACE BEHIND ME

Be respectful of nature; do not litter and dispose of waste properly. Trash left behind is harmful in many ways

FOLLOW THE ROUTE

Follow the road to discover stunning places. Unknown places can be unsafe. Park where you are supposed to. Plan your trip in advance.

KEEP YOUR DISTANCE FROM WILDLIFE

When humans carelessly bother or touch wildlife the balance of nature is disturbed, often beyond repair.

MAKE A POSITIVE IMPACT IN LOCAL RESIDENTS

It helps promote tolerance between people as they learn and better understand each other's cultures

SUPPORT LOCAL BUSINESSES

Help to boost local economies by creating jobs and generating income for local businesses

ECO-FRIENDLY TRANSPORTATION

Transportation that minimize carbon emissions; public transportation, electric vehicles, or other eco-friendly alternatives.
